

2008 Workshop Program

Workshop No. 25

**Expanding Competency: Cost Sharing on Sponsored Projects:  
Why No Good Goes Unpunished**

Christina Hansen  
University of California, Irving

Richard Seligman  
California Institute of Technology

Workshop Outline

- I. Introduction and Course Overview
- II. Cost Sharing Issues
  - What is Cost Sharing?
  - Where are the rules found?
  - What are the various types of cost sharing?
  - How are proposal budgets, cost sharing, faculty effort commitments and effort reporting related?
  - The “dark side” of cost sharing
- III. Total Effort Issues
  - What is “total effort”?
  - What is “in” and what is “out”?
  - Federal guidance on effort
  - Institutional Limits on Effort
  - Compliance Requirements
- IV. Case Studies
- V. Summary and Conclusion
